Advancing sewing as an art and life skill.

Pat's Pointers

***By Pat Fritze
Oklahoma City Chapter President***

Vol. 20

Issue: Mar-May 2010

Well, can you believe, here I am writing a Presidents message again. "Have been here and done this before." But thank you for your confidence again, by electing me your President. I am proud and glad to serve, but like I said this is only for one year, so please think about serving on our Chapter Advisory Board. It really just takes a little time and you receive so many rewards and many good friends, by helping to lead the chapter. You are welcome to visit our CAB meetings any time and we will show you the ropes.

Surely it must be Spring, but the weather just won't cooperate. But all this snow has maybe given you time to do some of that sewing you have been wanting to do. Sorry we had to cancel the February meeting, but feel we needed to be on the safe side and not have our ASG members on the street. The February scheduled meeting will be give in May, by Jacquelyn Powell, who is manager of the Costume Shop at OCU. April meeting will be Native American clothing presentation.

As you have all read (I hope) there will be a dues increase starting the 1st of May. You can renew before May 1st at the current \$35 rate for up to three years. This is a good deal and just think you don't have to think each year about renewing. The expenses have increased over the years and there is less help from the corporate companies.

Conference will be held in Atlanta, GA this year. The brochures will not be mailed this year, so please check on line the middle of March. This is always a fun time as well as a learning experience. Everyone needs to go to conference at least once. Hope you can attend.

My challenge to you this year is to get acquainted with someone new at each meeting. Introduce yourself and you certainly will have something in common to talk about. We have so many great members it is a shame not to know each and every one of them.

Sewingly Yours,
Pat Fritze

NEIGHBORHOOD GROUPS

Neighborhood Groups are small, personal, and fun. This is a wonderful place to meet new friends who enjoy what you like most - sewing. All ASG members are encouraged to attend a group and may participate in as many as you wish. Find the one that fits you best. If there is not a group in your neighborhood, start one! Bring a guest. Nonmembers wishing to learn more about ASG may visit two group meetings before being asked to join our Chapter. Contacts are below.

HAPPY SEWERS meet on the fourth Friday of each month at various members' homes at 10 AM until about Noon. The hosts for the month has a project or idea she presents and we all bring our own projects and finished items and discuss and assist each other with various challenges we have in sewing. We have some refreshments and have a great time exchanging ideas with each other. We don't actually sew because there isn't room in our homes but it is all about sewing, quilting and related subjects. We would love to have you join us or come by for a visit any time.

HAPPY SEWERS are having a hard time with the weather this winter. We meet the 4th Friday of every month (unless there is snow). We have a great time discussing our "show and tell" items and future projects and having a little coffee and dessert. Come join us!! Contact VaughnCille Weidner 354-1603 or vweidner@cox.net for location of meeting.

The **Southside Scissor Wizards** meet the 1st Tues of each month at B-Sew Inn at Penn and I-240 from 10-12:00. This year we are working on Christmas projects. We have been working on Christmas wreaths for the past couple of months. Now is time for a Christmas tree table runner project. There is a lot of cutting and tricky sewing, so could be a challenge for some of us. But with the help of all of us, I am sure we will succeed,. Come join us for the fun. Any one is welcome. . Community Service

Giving back is a vital part of a full and rewarding life. What could be more fulfilling than doing what you love to do (sewing) while contributing to the quality of life of others in need within your own community? Throughout the country, ASG has become synonymous with charitable acts of sewing.
