A note from our chapter President

Dear members,

I always get excited for each ASG meeting. This was our first meeting in our new 'home'. Comments were, "easy to get here", "love the lighting", "facilities were clean", "room is really large", "a joy to be here". I think it will serve us well in the future for events as well as our chapter meetings.

Our fabric sale/swap was terrific. There were so many different fabrics to choose from. Quilting cottons in every color, in solids and prints. Some pieces were still on the bolt and others in smaller pieces grouped in bags. The garment fabric was beautiful. So many varying types, silks, rayon, knits, linens, all was available for you to take home. Home Decorating fabric was abundant and pretty. We had several rolling carts, and a feather weight carrying case that went home with happy members. Donations were made to the Clinton High School, and a visitor who teaches middle school students to sew.

Thank You to the many members and committee that made this a success. To the members who diligently went through their stash to see what they could part with to everyone pitching in to help set up and clean up and move fabric, tables and boxes.

During our meeting it was a pleasure to welcome so many new members and visitors. We had 3 returning members and many who will be getting acquainted. Some of the new members joined in part due to wonderful support from Floriani Company who had a coupon for an extra free gift valued at over \$200, exclusively for ASG members who attend a Floriani event.

All of our members welcome you and it is our hope you will get to know us and enjoy your new sewing friends. March 12th our meeting will be a brown bag (bring something to eat and drink) meeting. We have several members who will tell us about the new trends with Vinyl and fabric cutting machines. Then we will have a hands on project to take home. Cannot wait to see what they have planned for us.

Hope to see you there!

Jane

Membership Information

Currently, we have 118 members in our chapter.

That number changes as memberships are renewed on an annual basis throughout the calendar year. We love visitors to check out our meetings, however, we must limit the number of times a visitor can attend before they join. The first meeting is

free to attend, but after the 2nd, we ask that you join our chapter. Dues are \$50.00 for the first year, and \$45 for renewals. Your dues can be quickly recouped if you take advantage of all the savings and discounts posted on the national ASG website, as well as the % off many retailers.

Membership Benefits

Online Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

Notions Magazine

Guild members receive the ASG national publication, Notions, filled with an inspiring variety of projects and tips, the latest sewing industry news, new products, introductions to sewing experts and Guild news.

In addition to the national publications, most ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

When using anything on the ironing board that has glue backing, etc., iron a piece of freezer paper to your ironing board with the shiny side down. This will keep any thing from getting to the covering of your ironing board and then just pull off the freezer paper and toss.

Neighborhood Groups

Neighborhood Groups are small, personal, and fun. This is a wonderful place to meet new friends who enjoy what you like most - sewing. All ASG members are encouraged to attend a group and may participate in as many as you wish. Find the one that fits you best. If there is not a group in your neighborhood, start one! Bring a guest. Nonmembers wishing to learn more about ASG may visit two group meetings before being asked to join our Chapter. Contacts are below.

The Happy Sewers

The Happy Sewers meet on the 4th Friday of each month from 10:00 am to about Noon. Members rotate hosting the meeting, showing a special project and providing snacks. We are a social group and enjoy sharing and discussing our sewing projects. Once a year we take a road trip to a fabric shop in some nearby town and enjoy having a lunch adventure close by. Visitors and new members are welcome - just call for location and directions to the next meeting.

Southside Scissor Wizards

Southside Scissor Wizards Neighborhood group is a fun group to belong to. Any ASG member is welcome to join us on the 1st Tuesday of each month at 10 am. We meet at B Sew Inn on I 240 and Penn. Our January meeting class was taught by

Mary Sommerfeld and we made pieced quilt baskets. She had gotten permission from the pattern maker to use the pattern if we sent pictures of our finished baskets. We made 10 baskets all different sizes. This was a fun project and we very much appreciate Mary leading the class.

The February meeting we made little felt Snow Buddies. Each had a different personality and of course there was no two alike. These will look cute with our Christmas decorating. Thank You Beth Odom for helping us with this great project.

March 3rd Jane and I will be helping you make aprons from recycled mens shirts. This was an idea from Marsh McClintock's work shop last Aug.

April 7 will be one of our annual road trips. We will be going to Yukon's quilt shop, Threads of Tradition and maybe another shop. I am sure we will find somewhere to eat also.

For more info please contact Pat Fritze at skippat@cox.net or phone 366-8296 or Jane Brown at rbrown27@cox.net phone 470-3855

Meet Anne St. Clair

She will be at our OKCASG May Retreat!

During her 30 years as owner of Needle Nook Fabrics, Anne St Clair has had the opportunity to help thousands find comfort and success in garment and lingerie sewing.

It is well known that at least 80% of women are wearing the wrong sized bra. Anne decided to address this crucial need by developing her Elite Bra Patterns and instructional book — Intimately Yours: Bras that Fit. She has since added to her Elite Patterns line with camisoles, a knit top and panties.

Anne travels the country presenting lectures and workshops. She has a dream for all women to be well supported.

Breaking all the rules, Anne will share her techniques for making garments fit. She will show you that sewing for yourself can be simple and rewarding.

Fun and laughter included.

She will be presenting the 'Ditch the Muslin' lecture and helping us create a pattern that fits!

Tired of creating a muslin, then going through the process of making alterations and transferring those changes to the pattern? Using Anne's techniques you will be able to draft a pattern to fit YOUR body. The process that is used can be repeated again and again with any commercial pattern. You will also learn the simplest method for a full bust adjustment. Anne will demonstrate this with her **Elite Knit Top Pattern**. Anne will also discuss pants and more.

Handout Fee: \$ 4

I will also help anyone after the lecture.

Anne's handout is an exact copy of the power point plus measurement charts and instructions for Full Bust Adjustments. The "Elite Knit Top" pattern is \$12.00. Anne will provide tracing paper to draft the patterns at no charge. The 2 yd fabric kits (including interfacing and thread varies from \$15.00 to \$22.00.

DID YOU KNOW??????????????

If you access Amazon.com from the national asg.org website that a portion of anything you purchase on Amazon goes back to ASG? It's not back to the local chapters, but back to the National organization. Many sites are offering this service. This was mentioned at the national meeting and I thought it was worth mentioning to you. On the right hand side of the home page, you will see the link to Amazon.

Help OKC Chapter Win the What Does ASG Mean to Me? Contest

Greetings members,

Our own OKC chapter has a video entered in the contest which could glean a prize of \$500 for the chapter and \$300 for the creator of the video. The funds could certainly be used for future community projects. We have until **June 1** to get the most views to our video link. This requires that you continue to go to the link from now until the end of the contest and to share the link with all your contacts. Here is what we need from each of our members and how you might help:

- The video was posted to You Tube on January 15, 2015. Please post the following link on your personal Facebook/Twitter/Instagram/Pinterest pages. E-mail to contact groups of family and friends, print the link in club newsletters, etc.

http://youtu.be/h7Hj_8fSmYA

NOTE: DO NOT post the actual video on Facebook or other social media – you need to post the *LINK* to our video on You Tube. They must *VIEW* our video on You Tube. YouTube keeps track of unique views. It is possible if you do not already have a You Tube account that you will be required to register. However, it is free and they do not put you on a mailing list.

You may post your link anywhere but you may NOT post your link of the National ASG Facebook page.

Thanks – and don't forget – "Something Fun is Always Brewing" for our chapter members.

Oklahoma Winter Quilt Show 2015

A special note of thanks to all the ladies who volunteered for the ASG booth at the 2015 OKC Quilt Show. They signed up, showed up and eagerly spoke about their love of ASG. Once again this year we were complimented by several of the vendors. They said we were fun, friendly and outgoing. I am proud to be a part of this wonderful group and looking forward to the 2016 Quilt Show. Thanks to all the ladies who volunteered.

Sewing Hints

Pleats—To change pleats in slacks, dip a cloth in a solution of 1/4 cup white vinegar and 2 cups water. Wring out thoroughly and cover the old pleat. Press with low setting on steam iron.

Pressing Cloth—Dampen a brown grocery sack, and use it as a pressing cloth.

Sewing—Leftover rickrack, binding, elastic, etc. can be wound around an empty thread spool and secured with a straight pin.

Thread—To prevent tangled thread when sewing by hand, knot each strand separately instead of knotting them together.

Buttons—Protect your buttons! Every time I sew on buttons, I put a dab of clear nail polish on the back of the buttons. I never lose a button. Works great for kids clothes!
