From the President

Merry Christmas, Happy Holidays and a very Happy New Year to all!

I always reflect back on the years' sewing guilds activities during this time of year. WE have had a lot of fun! WE have learned a lot!

Our journey of learning, laughing, sharing is an ongoing event in our lives. About the time we think we have a new technique, pattern, embroidery design, sewing machine, public media, learned, a new one comes along. They say that keeps us young. Sure hope so as the calendar years keep flying by.

The programs this year were varied and covered about all of the spectrums of sewing. We learned about fabric from Blank Textiles and all about Modern Quilts. Our retail fasting challenge has been, well a challenge. I succumb to buying a pair of jeans. Oops. Many members have taken the challenge head on repurposing garments and making garments from old and new patterns that they had not done in a while. What fun. The meeting that followed had examples and gave us ideas about repurposing clothes from thrift stores.

In September Marilyn Marusa showed us how to print our own fabric. The examples and handouts were over the top. Has anyone entered the National challenge using the ASG logo? Have you had something printed? It should be fun to see what the national contest reveals. The program on embroidery had lots of samples and hopefully inspired our fellow embroidery enthusiasts. We had a wonderful program on knits by Claire Kennedy. What a treat to be sent Claire's newsletter 'The Basics of What's to know about Making Knits'. WOW and WOW again. She covered it all and we are very grateful. Thank you Claire!

Our group activities were well attended and lots of fun. Our 2016 Sewing Retreat attendance was around 50, with several from the Amarillo and Wichita chapters. I cannot say enough about all of the wonderful gifts, door prizes and camaraderie. I cannot wait until next year. We had a day retreat in August at the Will Rogers Exhibit Center with about 20 attending with some first timers in attendance. Kerry McNutt helped make a light weight jacket, while others worked on quilts, some making napkins using their sergers. At our August meeting we made Christmas Stockings for UR Special and finished them up at the State Fair in September (check out the State Fair picture). Our next event was the Wichita Falls Retreat which is always well attended by our chapter, with twenty plus this year (check out the picture).

Our hands on project this year was presented by Kerry McNutt. The t-shirt bag was fun and a good way to use up all of those old t-shirts.

The Oklahoma City American Sewing Guild Chapter is amazing! We have so many very talented people in our membership who are always willing to share their knowledge, skills and talents. I always feel so very privileged to belong to an amazing group.

By the time this newsletter is published we will have had another covered dish dinner, found out who the winner or winners of the Retail Challenge Contest are, and shared our sewing skills and talents again.

I cannot wait to see what next year will bring.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

Notions Magazine

Guild members receive the ASG national publication, Notions, filled with an inspiring variety of projects and tips, the latest sewing industry news, new products, introductions to sewing experts and Guild news.

In addition to the national publications, most ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

ASG's 2017 Fabric Design Contest

You have seen it done on Project Runway, now it is your chance to design your own fabric in national's "Design Your ASG Fabric" contest.

For 2017, we are looking to have a national ASG fabric. So, what better way to get that fabric than to have our own members design it. So put on your thinking caps and let those creative juices start flowing. You can use photography, hand drawings, or computer generated drawings as long as it is your original work. The one requirement is that it must have the official ASG logo with the needle and thread featured somewhere in the design. The logo does not have to be the prominent feature, it just has to be included in the work. So if your fabric is made up of buttons, one of them could have the ASG logo. If your fabric features fashion drawings, one of the models could be wearing an ASG button. Or perhaps you are taking a picture of your sewing notions, you might include the ASG tape measure with the logo among the items. Use your own creativity to design a fabric that we can print in both a knit and a cotton.

The designs should be submitted to ASG as an email attachment and sent to

asgfabricdesigncontest@gmail.com

by January 31, 2017. Emails should include the name of the designer as well as contact information such as phone number and preferred email address. All work must be original and will remain the property of the American Sewing Guild. Submissions should be completed and camera ready and not merely a sketch. Depending on the design, some modifications may be necessary by the fabric manufacturer.

All chapter presidents will be eligible to vote for the winning design in February, and the fabric will be on sale this spring. You may submit as many designs as you wish, but remember the deadline is January 31, 2017. We are looking forward to seeing all of your work! If you have questions, submit them to Rosemary Fajgier at r_fajgier@yahoo.com. Please put ASG fabric contest in the subject line.

Neighborhood Groups

Neighborhood Groups are small, personal, and fun. This is a wonderful place to meet new friends who enjoy what you like most - sewing. All ASG members are encouraged to attend a group and may participate in as many as you wish. Find the one that fits you best. If there is not a group in your neighborhood, start one! Bring a guest. Nonmembers wishing to learn more about ASG may visit two group meetings before being asked to join our Chapter. Contacts are below.

The Happy Sewers

The Happy Sewers meet on the 4th Friday of each month from 10:00 am to about Noon. Members rotate hosting the meeting, showing a special project and providing snacks. We are a social group and enjoy sharing and discussing our sewing projects. Once a year we take a road trip to a fabric shop in some nearby town and enjoy having a lunch adventure close by. Visitors and new members are welcome - just call for location and directions to the next meeting.

August 2, 2015 at B Sew-Inn. We learned one of our dear sewing friends, Scissor Wizards – We had a big turnout for our September road trip! Seventeen ladies traveled to, The Quilted Hart in Newcastle, Beth's Quilting Quarters in Blanchard and ended up at K.T.'s in Blanchard for lunch. At the Quilted Hart we were given a goody bag containing a pre-printed Christmas stocking to be sewn together and filled with items for children to benefit the Battered Women's Shelter in McClain County. The store also requested we donate used, in good condition, purses, filled with items for these same women. Lunch at K.T.'s was great with fantastic Chocolate and Coconut pie for dessert.

In October we celebrated Jane's Birthday with delicious cake and song. Jane brought all the makings for a cute Happy Halloween door hanging. We also brought back the completed Christmas stockings we acquired from The Quilted Hart in Newcastle. These stockings were filled with items women and will be given to the Cleveland County Battered Women's Shelter. Our meeting on November 1st was held at Helen Enox Fine Fabrics, as B Sew-Inn had a special event on our meeting day. We shopped, visited and sewed on what you wanted. December 6th we had our annual Christmas covered dish luncheon at Chatenay Club House. We brought Christmas wearing socks. Jewelry and ornaments and played dirty Santa. The food was delicious, the gift exchange fun and decorations beautiful. Thank you Brenda Fonzi and Beth Odom.

Our group meets the first Tuesday of each month at B Sew-Inn at 10:00 am.

If you access Amazon.com from the national asg.org website that a portion of anything you purchase on Amazon goes back to ASG?

It's not back to the local chapters, but back to the National organization. Many sites are offering this service. This was mentioned at the national meeting and I thought it was worth mentioning to you.

On the right hand side of the home page, you will see the link to Amazon.

Membership Information

Currently, we have 115 members in our chapter.

That number changes as memberships are renewed on an annual basis throughout the calendar year. We love visitors to check out our meetings, however, we must limit the number of times a visitor can attend before they join. The first meeting is free to attend, but after the 2nd, we ask that you join our chapter. Dues are \$50.00 for the first year, and \$45 for renewals. Your dues can be quickly recouped if you take advantage of all the savings and discounts posted on the national ASG website, as well as the % off many retailers.

Our Annual Holiday Covered Dish Dinner
December 8th 2016 By Paula Denson
Approximately 40 members of the Oklahoma City Sewing Guild braved the coldest night of the winter to date when they met for a Christmas dinner and meeting on December 8. The room was decorated with lovingly made Christmas-themed sheer table runners made by Brenda Fonzi. She had also embellished each table with shiny-bright metallic Christmas trees surrounded by modernistic ceramic reindeer. Later in the evening the decorations were given away as door prizes to lots of lucky members.

Tables were laden with turkey and ham prepared by dedicated CAB members who also provided the drinks and took time to set up the room before the 6:30 p.m. meeting. In addition, every kind of lovely and delicious casserole and many colorful, tasty salads and other dishes accompanied by a wide assortment of holiday desserts were provided by all the members.

Two new members, Sarah Musler and Jane Lowry, were introduced by President Jane Brown and welcomed by the members. Linda Hyams was introduced and reviewed the history of the "Ready to Wear Fast Challenge" which many members had promised to follow for six months. The members participating were Lynn Smith, Marilyn Marusa, Jana Burgess, Irene Morgan, Kerry McNutt, Joanne Hale, Ellen Bennett displayed their sewn creations. The three judges, Linda Hyams, and Ruth Ann Leder and Carolyn Humphrey from Helen Enox Fine Fabrics did the judging. The winners announced were Irene Morgan for her re-purposed denim jean jacket created with no pattern; Marilyn Marusa for most sewn garments; Joanne Hale for most difficult garment (a beautiful designer lined jacket); and Ellen Bennett for the most variety of sewn clothing items. Each winner received a \$50 gift certificate from Helen Enox Fabrics. In addition, each of the exhibitors who showed their sewn article was given a 20% discount at the store through December 2016..

After the winners of the contest were announced, several members used the show-and- tell time to display new projects including machine needle-felting, Thunder-themed gifts, and sewn clothing suitable for the holidays.

Before the meeting ended, president Jane announced that a member, Sue Morgan, was in chemo treatment and that Gloria Escalara had a knee replacement and that thoughts and prayers would certainly be appreciated. A HUGS project update from Martha Duerksen reported that 500 care packages for deployed troops had been mailed on Pearl Harbor Day and that the help of some OKCASG members was certainly appreciated.

The meeting ended with thanks to Jane and the CAB for another year of exciting and productive meetings and projects and in turn, Jane thanked all the members for their caring spirits and many talents.
