From the President

Happy Summer Dear Sewists,

I was sorry to miss it, and I thank you all for working the Oklahoma Quilt, Craft & Sewing Show. And thank you for showing and sharing the fantastic items you've made this year. Our booth looked great!

At the July meeting, bring a brown bag dinner, your sewing project and machine, notions and so forth. Our speaker rescheduled due to a family matter.

The CAB is planning the meetings for 2023-2023. Look for a meeting schedule soon.

Respectfully,
Marla Sue Sweaney

Erica would like to ask that everyone stand at the front of the room when presenting their sew & shares?

I know some people prefer to stay in their seat, which is fine if there is a health/mobility concern with getting up and walking, but if possible it would be a lot easier for me to take pictures if everyone comes up to the front. I can't get good pictures if I have to be constantly walking around to each section and I'm also obstructing other people's views. I will try to get a seat in the front row at all meetings.

Thanks,
Erica

Neighborhood Groups

The Happy Sewers

The Happy Sewers Neighborhood group meets the 4th Friday of each month from 10:00 to Noon. We rotate meeting at each others home. After our meeting and our sew and share time, we usually go out to lunch. We are a social group and do not sew at our meetings. Sometimes our hostess may share instructions for a special project. If you are interested in joining please contact our Coordinator, Jane Vaughan. You can reach her by calling (405)623-8378 - not a smart phone - no texting!

Scissor Wizards

Scissor Wizards neighborhood group meets the second Tuesday of each month. 10:00am-4:00pm. We are now meeting at Beth's Quilting Quarters 114 N Main Blanchard, OK 73010. FYI after our group meeting is over you can use the sewing room for the remainder of the day unless they have a special event planned. Next meetings are: August 8th, September 12th, and October 10th. Please call (405) 229-6612 (Lynn Smith) for any updates on location and program.

Fashion Sewers

With a concentration of sewing garments, we have a new group! We work on our own clothing projects, help each other with fitting and solve garment sewing problems.

Meeting at the Stitching Post 901 N Moore Ave Suite B, Moore, OK

We are moving to the 1st Saturday of each month so more members who work can attend.

10:00am—3:00pm. Next meeting to be decided Contact okcasg@gmail.com for any updates.

Our next meetings are August 5th, September 2nd, and October 7th.

Sewing Happy Hour

no Alcohol is to be served at sewing happy hour

Meeting the 4th Thursday of the Month at 6:30 PM. The meeting place is changing every month so call for more information. Members should receive a reminder right before the meeting with location information. Erica and Andrea

Have you ever asked yourself why join a neighborhood group?

Who doesn't want to talk about their sewing obsession, share their latest projects. If your non-sewing friends get a glazed look in their eyes when you talk about your latest fabric score or your embroidery triumph, then you need to find a sewing group, Here are just a few more ideas why you should join one.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in *Notions*, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

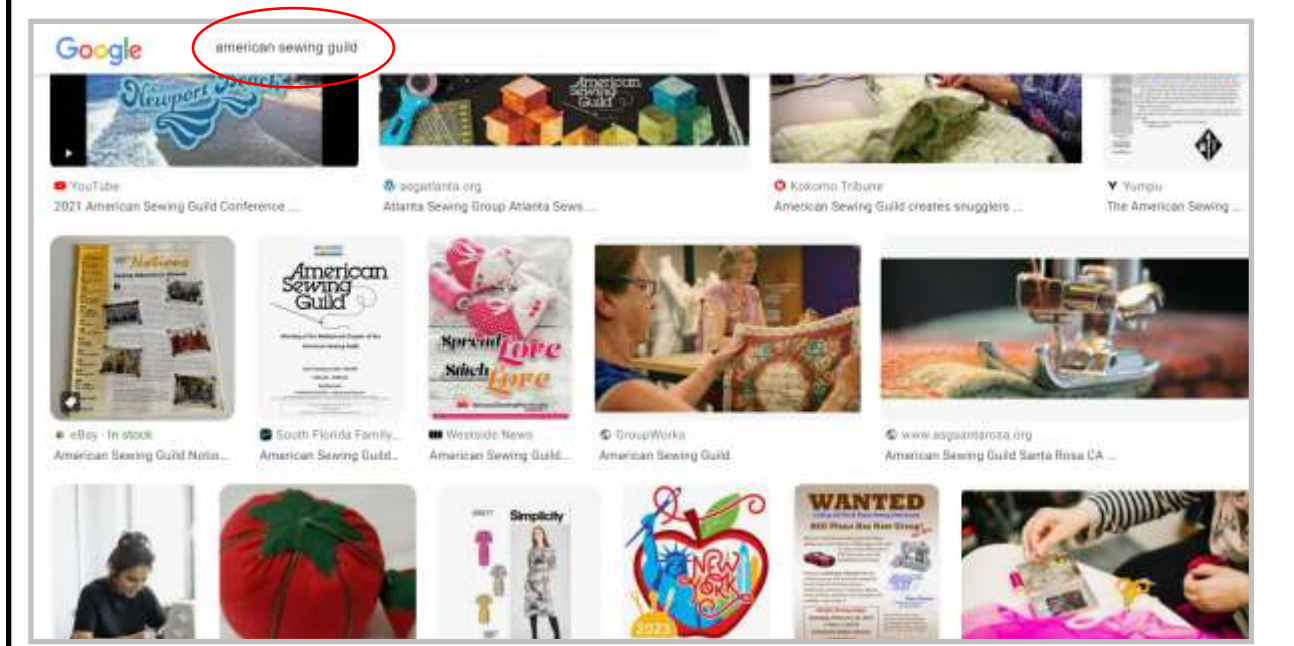

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG *Notions* emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Membership Information

Currently, we have 88 members in our chapter. That number changes as memberships are renewed on an annual basis throughout the calendar year. We love visitors to check out our meetings, however, we must limit the number of times a visitor can attend before they join. The first meeting is free to attend, but after the 2nd, we ask that you join our chapter. Dues are \$60.00 for the first year, and \$55 for renewals. Your dues can be quickly recouped if you take advantage of all the savings and discounts posted on the national ASG website, as well as the 10% off many retailers.
