

Oklahoma City, OK Chapter of the American Sewing Guild  
Advancing sewing as an art and life skill.

**Pat's Pointers**  
By Pat Fritze  
Oklahoma City Chapter President

Vol. 20  
Issue: Sep-Nov 2010

Summer will soon be over. I promise you this. Before long we will be getting out our jackets and turning on the heat. Things are changing all the time in our chapter also and it is time for election of officers for the year 2011 for OKC ASG. You will find the proxy ballot in the newsletter. If you don't plan to attend the Nov. 8 meeting please return the proxy ballot to me. We have a great slate of officers. This is your chapter, so please support this group of leaders.

We recently had a wreath class, where everyone finished their project. It was a fun class and everyone's wreath certainly looked different. There will be a fancy pin cushion class on Oct 23, Rustyne will be giving us information about this soon.

September is National Sewing Month. We will be celebrating this by attending the fair on September 24, and working on our Service projects, which include the stockings and bags for the military. This is always a fun day and just another way to be with our great sewing friends. Of course we will all be Celebrating by sewing each and every day. Sewing certainly becomes part of my life most days. Wish I could finish some of my unfinished projects before I start something else. They say this is the creativity in us, that keeps us jumping from project to project. I think it is because there are so many things I want to do and so many new things to try.

I always like to see all my sewing friends at the meetings each month. We really do have a good time and there is always something to learn and good ideas with the Show and Share. Come see what you have been missing.

Pat Fritze  
OKC ASG President

Greetings!

By now some of you may have heard that you have a new Regional Representative for the central division or Region 2. This was announced at this year's Annual Conference in Atlanta. I know some of you well, met some of you at conference and hope to know all of you soon. St. Louis is my home town, where I was the Chapter President for the last three years. I graciously handed this position over at the beginning of 2010 to a very enthusiastic lady, who is doing a great job leading our chapter.

I've spent the last couple weeks gathering information about what my new job will be, making my distribution list including all of you, and reading oodles of "stuff" that will help me assist you. My first job will be getting to know you and answer any questions you may have. A few of you have already connected with me on some questions, so keep them coming. If I don't know the answer, I promise I will find the answer for you. Since I work full time and am on the computer ten hours or more a day, I may take a break on the weekends. If the subject is urgent and I do not respond over the weekend via e-mail, do not hesitate to call me on my cell (636-688-5925) Please remember, I am here to serve you.

I'm including a picture so you will know who I am if you see me at the next conference, or who knows, I may just pop up at a chapter event. I really would love to visit each chapter, but I realize this is not possible. If I get any chapter information that should be passed along, you all will be the first to know. I really want to get to know each and every one of you, because you are the backbone of this organization. You make everything run smoothly. Without you, the chapters would not run properly.

Please remember, if you ever have a problem, a question, or just want to talk, give me a call. I'm here to listen. Take care and hope to talk soon.

Yours in Sewing,  
Jodell Larkin Regional Representative Region Two

# NEIGHBORHOOD GROUPS

Neighborhood Groups are small, personal, and fun. This is a wonderful place to meet new friends who enjoy what you like most - sewing. All ASG members are encouraged to attend a group and may participate in as many as you wish. Find the one that fits you best. If there is not a group in your neighborhood, start one! Bring a guest. Nonmembers wishing to learn more about ASG may visit two group meetings before being asked to join our Chapter. Contacts are below.

## **Southside Scissor Wizards Neighborhood Group**

July was a busy month for Southside Scissor Wizards. We met the first Tues and cut out stockings and then in August, sewing was begun on the stockings. Our Neighborhood group also was in charge of the program for July regular ASG meeting. Everyone showed their gift and decoration ideas. Handouts were also given with instructions for many of the projects. It was fun to see all the good ideas. We hope that everyone enjoyed this presentation.

September will find the group going to the Sooner Quilt Shop and lunch at Pops and then to visit the Round Barn. Am sure this will be a fun time for all of us. The rest of the years sewing projects will be decided on soon.

Anyone is welcome to come join our great group of sewing friends. We meet each month at B-Sew Inn at I-240 and Penn, unless we decide to take a field trip, so please call Pat @ 366-8296 or Jane @ 946-3580 if you would like to come join us.

## Would you like to help Women learn to sew?

Hello Ladies,

I need help in teaching International Women how to sew. Our group is called Friendship International and it is for women who are Internationals that we want to help adjust to our country and be around Christian Women. We have several classes for the ladies such as cooking, quilting, painting, Bible Classes, study for Citizens Ship, and other classes. We have ladies who care for children birth through 5 years of age. We meet every Thursday Morning at 9:30-11:30 when school meets at Highland Park Baptist Church, 400 N Blackwelder, Edmond. We will have our first meeting for this year for the teachers on Thursday August 19 at 9:30 at the Church. Classes for the ladies will start the next Thursday, August 26th. If you are interested in helping me teach sewing, or have any questions, please call me at 405-348-8686.

Thank you.
