## From the President

Hi Friends,

It seems that 2025 is off to a crazy start, with the weather impacting our meetings at the beginning of the year. Hopefully, everyone was able to take advantage of those cold days to stay indoors and create some beautiful items.

We have received a fantastic response to our heart bag kits. I haven't gotten an exact count yet, but many completed kits were returned at the March meeting, and many more have been checked out. It would be amazing if we could reach our goal early this year and get a head start on next year. Keep up the good work; it is very much appreciated!

Many exciting things are happening in the upcoming quarter. The Annual Retreat is scheduled for May 2-4 at Canyon Camp in Hinton, and our Retreat Committee is tirelessly working on the final details to ensure a fun and memorable event. Don't forget to submit your application, as space is limited.

It was wonderful to have the Central Oklahoma Quilt Guild as our guest at the March meeting. They shared information about their upcoming show on July 18 and 19, 2025, which will take place from 9:00 AM to 5:00 PM at the Oklahoma State Fairgrounds in the Centennial Building.

What makes this even more exciting is that they have invited us to have a booth at their event. Participating in events is a great way for the community to learn about us. I became a member of ASG after visiting a booth at the Quilt Expo! We will need volunteers to help man our booth, and sign-up sheets will be available soon to coordinate our schedules.

At the March meeting, Tammy Eskew showcased her Crazy Quilt Creation and challenged us all to create our own Crazy Quilt-styled projects. Kits were distributed, and in September, we will all present our creations.

It is exciting to be part of a talented and creative community of sewists and friends. I am eager to see what opportunities and projects the remainder of the year will present.

Andrea

We are sad to report that our member, Aaron Deal, passed away in January.

Aaron Eugene Deal, age 58, of Oklahoma City, Oklahoma, passed away on January 18, 2025. He was born on February 17, 1966, in Oklahoma City, Oklahoma, to James "Jim" Eugene Deal and Martha Kay Deal.

Aaron graduated from Western Heights High School in 1984 and spent his life living in both Texas and Oklahoma. He had a deep love for the outdoors, enjoying activities such as fishing and hunting. Aaron also had a passion for canning, cooking, baking, and cake decorating, which he pursued with great enthusiasm. His creative spirit extended to quilting, where he was an active and talented member of the American Sewing Guild. His love for crafting was surpassed only by his generous and loving nature. Aaron was a devoted member of Mosaic United Methodist Church in Oklahoma City, where he found a strong sense of community and fellowship. He was preceded in death by his father, James "Jim" Eugene Deal.

Aaron is survived by his loving mother, Martha Kay Deal of Oklahoma City; his brother, Richard Allen Deal and wife LaDale of Kingston, Oklahoma; as well as many uncles, aunts, cousins, and dear friends who will cherish his memory. In lieu of flowers, the family requests that donations be made to the Southern Hills Outreach Foundation, an organization close to Aaron's heart. [Click Here To Donate](#) A memorial service to celebrate his life will be held at 2:00 P.M. on Thursday, January 23, 2025, at Southern Hills United Methodist Church, located at 8200 S Pennsylvania Ave, Oklahoma City, OK 73159.

Aaron's warmth, kindness, and creativity will be greatly missed by all who knew him. May his spirit continue to inspire those who loved him.

### Heart Bag Report—Kelli Howery

Hi All,

We are off to a strong start on our heart bag goals.

I was traveling and missed the March meeting, so I don't have an updated count for everyone just yet.

As a reminder our goal is 225 bags by the end of this year.

Ways you can help meet our goals:

Take a kit - make the bags in the kit

Make a bag using fabric from your stash

Make a bag using fabric from our stash

Make a bag using fabric

We appreciate your help, in the way you want to contribute. If you need fabric, a pattern, a kit, inspiration, please let me know. I'm happy to make arrangements for delivery or pick up of fabric, kits or bags.

Cheers,

Kelli / 405-761-0220

## You're Invited to Southeast Sewcial Escape 2025

### ***What is Southeast Sewcial Escape?***

Southeast Sewcial Escape was created in response to the halt of national ASG conferences due to rising costs in travel and hospitality. But ASG members still crave opportunities to gather with other members from around the country in a learning and social environment. So a group of ASG members from three chapters (Atlanta, Nashville, Upstate SC) banded together to develop a plan to meet this need.

We believe Southeast Sewcial Escape is the answer. [Click here to register.](#)

This is a regional conference that targets ASG chapters from Southeastern states in a central location, but all are welcome. The event will be held September 19-21 at the lovely Embassy Suites, in Chattanooga TN. Classes will be offered in a track/intensive format, led by 4 nationally recognized teachers. Attendees must bring a sewing machine for your use. Here are the 4 weekend track choices:

Embellishment and Jackets with Nick Coman

Embellished Couture Skirt with Helen Haughey

Upcycling with Catherine Hay

Bodice Fitting with Jen Stern-Hasemann

Our dream is that this will not be the last Southeast Sewcial Escape and to inspire other regions to host regional conferences in their own areas as well.

Visit our website to learn more about the conference, the tracks, and to register:

## Membership Benefits

### Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

### Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

### Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

### Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

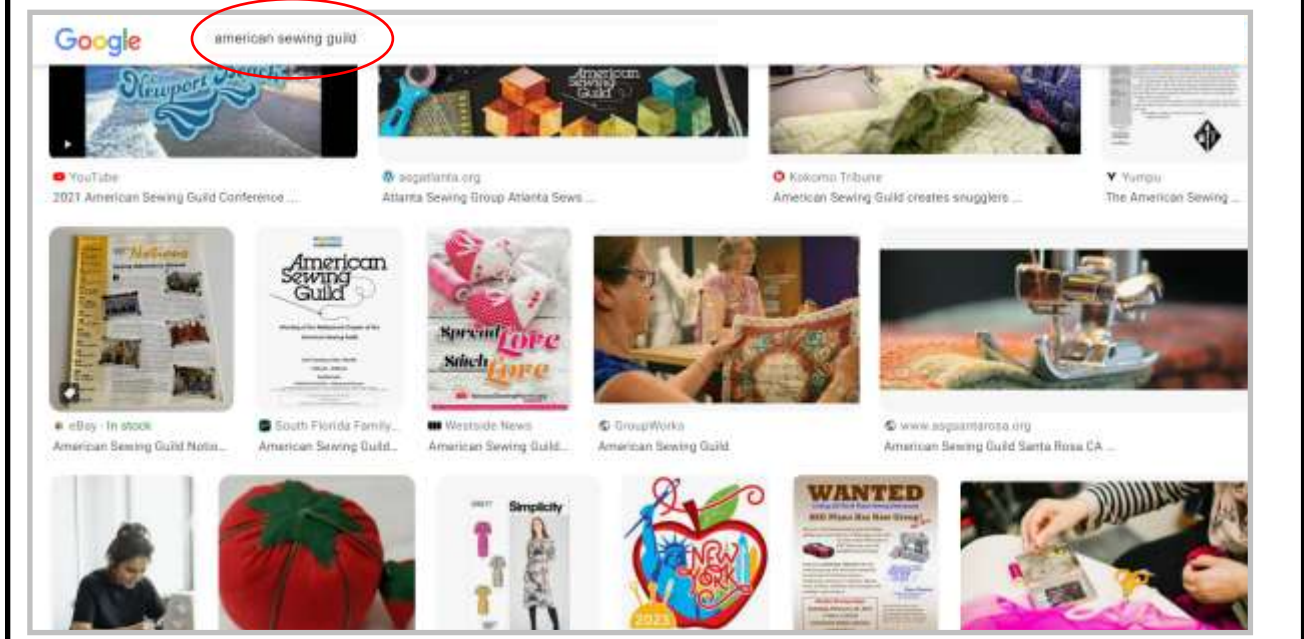

### Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.
