From the President

Dearest members,

I hope you've had happy holiday and enjoyed time with family and friends.
Welcome 2022!

January 13th starts our new year. We will be 31! Bring your concerns, comments to the Heart Bag Panel demonstrations. Karry from OU Children's hospital will be there to pick up heart bags. I have collected buttons for years. I will bring some things I've found in those button jars (beside buttons) to show and discuss. Have you found anything you want to show? Bring it. Don't forget your sew-n-shares. Bring those quilts, embroidery projects, garments, sewing victories and sewing problems, etc. Someone will know the solutions to those problems.

ASG Headquarters is planning the national conference in San Antonio TX June 30-July 3. Contact Marriott San Antonio RiverCenter (210) 223-1000 for reservations. Let them know you are with the American Sewing Guild. Conference schedules and class lists come out around the end of March. OKCASG members will fill the conference with joy and Oklahoma Happiness!

Respectfully submitted,
Marla Sue

Bye-Bye "Fish Eyes"

Avoid "fish eye" buttonholes on stretchy knits by stabilizing the buttonhole area with clear elastic.

1. Cut a strip of $\frac{1}{2}$ "- or $\frac{3}{4}$ "-wide clear elastic at least 1" longer than the finished buttonhole will be. Center and machine baste the elastic to the garment wrong side at the buttonhole location.
2. Machine stitch the buttonhole through the fabric and the elastic, then remove the basting and carefully trim away the excess elastic.

ragsreborngifts@gmail.com

Since the beginning of 2003 we have had an Oklahoma City Chapter website

In the beginning it was okcasg.org then due to a problem with our hosting company going bankrupt in 2011 we lost the ability to have control over this domain.

We quickly switched to okcasg.com but were hoping to switch back someday since .org domain extension stands for "organization" and is most commonly used for nonprofit organizations. It is also sometimes used for websites that aren't necessarily for profit, but that provide the public with free information and resources, like a public library.

That day has come. We have purchased okcasg.org and are using both for now.

We will migrate all of our flyers, newsletters, Facebook, Instagram over to using okcasg.org. When okcasg.com expires in 2023 we will not renew it and from then on just use the okcasg.org.

Have you ever asked yourself why join a neighborhood group?

Who doesn't want to talk about their sewing obsession, share their latest projects. If your non-sewing friends get a glazed look in their eyes when you talk about your latest fabric score or your embroidery triumph, then you need to find a sewing group, Here are just a few more ideas why you should join one.

A place to develop skills. Many are based on the premise of continuous learning new monthly projects to work on and include the tradition of "show and tell" so much fun to see how each member's creativity and personality showed up in the last month's project. All members are happy to help if someone would like assistance with a particular technique.

- A. Giving Back. If you are interested in helping in your community many sewing groups or individual members are involved in making thing for charity organizations, great place to learn what's needed in your community.
- B. Learn about new resources. Members love to share where to find out about new resources for fabrics, craft supplies and patterns, whether it's an undiscovered fabric store to a new pattern or online sites.
- C. Get feedback or a critique. Want some constructive criticism of a sewing project? Sewing groups are great places to get the feedback you need. That's especially true when garment sewing, getting help and ideas for fit problems is priceless. Getting input from sewing friends can help save a project your ready to trash.
- D. Get suggestions for special fabrics or quilt fabric scraps. Your fellow sewing group members can help you brainstorm just what to do with a special fabric, fabric scraps or craft project leftovers you have been treasuring for ages. We love to share our ideas and you'll go home with dozen new ideas to use.
- E. Fun. Communicating with like-minded fanatics to discuss all things sewing, embroidery, and crafting. Neighborhood groups are a warm and happy place to stretching yourself with new challenges. I always leave a meeting with renewed energy, there's always something to learn when it comes to all things sewing.

Membership Benefits

Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.
