## From the President

Hello All!

This year has been so busy for many of us, and there are still so many exciting things to happen.

I am looking forward to the Central Oklahoma Quilt Guild's show in mid July. We still need a few volunteers to help out with our booth, so I encourage you to sign up for these shifts in the email Marilyn sent out.

We also were invited to have a display one day of the State Fair at the OKC Fairgrounds, I will be getting a sign up sheet for this soon.

I invite all to join us at our quarterly CAB meetings. All members are welcome to attend, even if you are not on the board. By attending you can learn more about the needs of the guild, and how you can help. Our meetings are usually held the morning of our quarterly sew days at 9 AM. Keep an eye out for an email from Marilyn with the date and location of the next one.

I have exciting news to share! We have found a new home to hold our meetings starting in January!

For 2026 we will be meeting the NewView building at 4301 N Classen Blvd, Oklahoma City, OK 73118.

Our first meeting in the new location will be on January 8th, 2026.

I appreciate so much all the help everyone gives to our guild. Thank you all for helping to ensure the wonderful skill of sewing continues on for the generations to come.

Much Love,  
Andrea

### Heart Bag Report—Kelli Howery

We are halfway through the year and we are still going strong on making our heart bag goals!!

As of the Saturday Sew Day including the bags that were made and collected there - we have 173 bags total!!

I have to tell you - when I count, count, recount the bags, I'm amazed how very cute they are. They certainly are the physical manifestation of love and care (and cuteness)! It makes me smile!

As a reminder our goal is 225 bags by the end of this year.

Ways you can help meet our goals:

Take a kit - make the bags in the kit - available at the next ASG Thursday meeting.

Make a bag using fabric from your stash

Make a bag using fabric from our stash

Make a bag using fabric

We appreciate your help, in the way you want to contribute. If you need fabric, a pattern, a kit, inspiration, please let me know. I'm happy to make arrangements for delivery or pick up of fabric, kits or bags.

Cheers,

Kelli

## You're Invited to Southeast Sewcial Escape 2025

### ***What is Southeast Sewcial Escape?***

Southeast Sewcial Escape was created in response to the halt of national ASG conferences due to rising costs in travel and hospitality. But ASG members still crave opportunities to gather with other members from around the country in a learning and social environment. So a group of ASG members from three chapters (Atlanta, Nashville, Upstate SC) banded together to develop a plan to meet this need.

We believe Southeast Sewcial Escape is the answer. [Click here to register.](#)

This is a regional conference that targets ASG chapters from Southeastern states in a central location, but all are welcome. The event will be held September 19-21 at the lovely Embassy Suites, in Chattanooga TN. Classes will be offered in a track/intensive format, led by 4 nationally recognized teachers. Attendees must bring a sewing machine for your use. Here are the 4 weekend track choices:

Embellishment and Jackets with Nick Coman

Embellished Couture Skirt with Helen Haughey

Upcycling with Catherine Hay

Bodice Fitting with Jen Stern-Hasemann

Our dream is that this will not be the last Southeast Sewcial Escape and to inspire other regions to host regional conferences in their own areas as well.

Visit our website to learn more about the conference, the tracks, and to register:

## Neighborhood Groups

### Scissor Wizards

Scissor Wizards neighborhood group meets the second Tuesday of each month. 10:00am-4:00pm. We are now meeting at Beth's Quilting Quarters 114 N Main Blanchard, OK 73010. FYI after our group meeting is over you can use the sewing room for the remainder of the day unless they have a special event planned. Please call (405) 229-6612 (Lynn Smith) for any updates on location and program.

### Fashion Sewers

With a concentration of sewing garments, we have a new group! We work on our own clothing projects, help each other with fitting and solve garment sewing problems.

We are meeting on the 3rd Saturday of each month at Hilltop Assembly of God, 419 SE 47th, 73129. As we are still acquiring equipment, bring a power strip, electric cord, and any chair cushions you may need.

Also, the cost of the church is 5 non perishable food items OR 5 household items, ie toilet paper, laundry soap, hygiene items. This supports our monthly food pantry.

Next meeting is April 19th! Contact okcasg@gmail.com for any updates.

### Sewing Happy Hour

No Alcohol is to be served at sewing happy hour. Meeting the 4th Thursday of the Month at 6:30 PM. (a little different for Nov and Dec because of holidays-see calendar on 1st page) The meeting place is Trove Arts and Crafts Store. Members should receive a reminder before the meeting. Erica and Andrea

Feeling stressed after a long day at work? Come to happy hour... Sewing Happy Hour!! Socialize with friends while making a fun and easy project! Members take

turns choosing and leading the class. Everyone is welcome to attend, please let Erica know if you are interested in leading a project. Date, time, location, and project details will be posted on the ASG Facebook page and emailed to all members.

Snacks and treats are allowed, but please no alcohol. Thanks, Erica RagsReborn

#### Have you ever asked yourself why join a neighborhood group?

Who doesn't want to talk about their sewing obsession, share their latest projects. If your non-sewing friends get a glazed look in their eyes when you talk about your latest fabric score or your embroidery triumph, then you need to find a sewing group. Here are just a few more ideas why you should join one.

## Membership Benefits

### Sewing Classes and Special Events

Whether you're new to sewing, returning to sewing, looking to advance your sewing skills or just want to participate in on virtual group meetings, you will find ASG's free online sewing classes and programs a major benefit of membership.

### Discounts

Many local retailers offer discounts to ASG members. Be sure to ask when you shop, "Do you offer an ASG discount?"

In addition, almost half of the advertisers in Notions, our quarterly publication, also regularly offer discounts on their sewing products, publications and events, free shipping, and lots more. Those Special Offers are listed and updated every quarter on the password-protected Members Only section of this Web site. Join now to receive your password, and take advantage of the great benefits of membership in the ASG!

### Chapter Meetings

Think of a chapter as a community of people who are excited about sewing. All kinds of people! Some with advanced or professional sewing skills, some novices at the beginner level, and the majority who fall somewhere between those two levels. They want to learn new skills, they want sewing friends to share their successes and challenges, and they want to belong to a group that will support their adventures in sewing.

Chapters come in all sizes - larger chapters often sponsor quarterly chapter-wide special events that may feature local or national speakers, member fashion shows, or specialty workshops. Some chapters also sponsor many smaller neighborhood or special interest groups within the larger structure which meet more frequently (usually monthly). Smaller chapters may meet on a monthly basis as one group. Often, these local Neighborhood Groups provide opportunities for sharing ideas and "hands-on" sewing experiences in a smaller, more social atmosphere. Find a chapter in your area.

### Conference

ASG members pay a special member's price for conference registration where attendees participate in workshops and seminars taught by nationally recognized professionals. Members may also shop the Exhibit Hall, enjoy special events and attend optional workshops and tours. Visit our Conference page for more information.

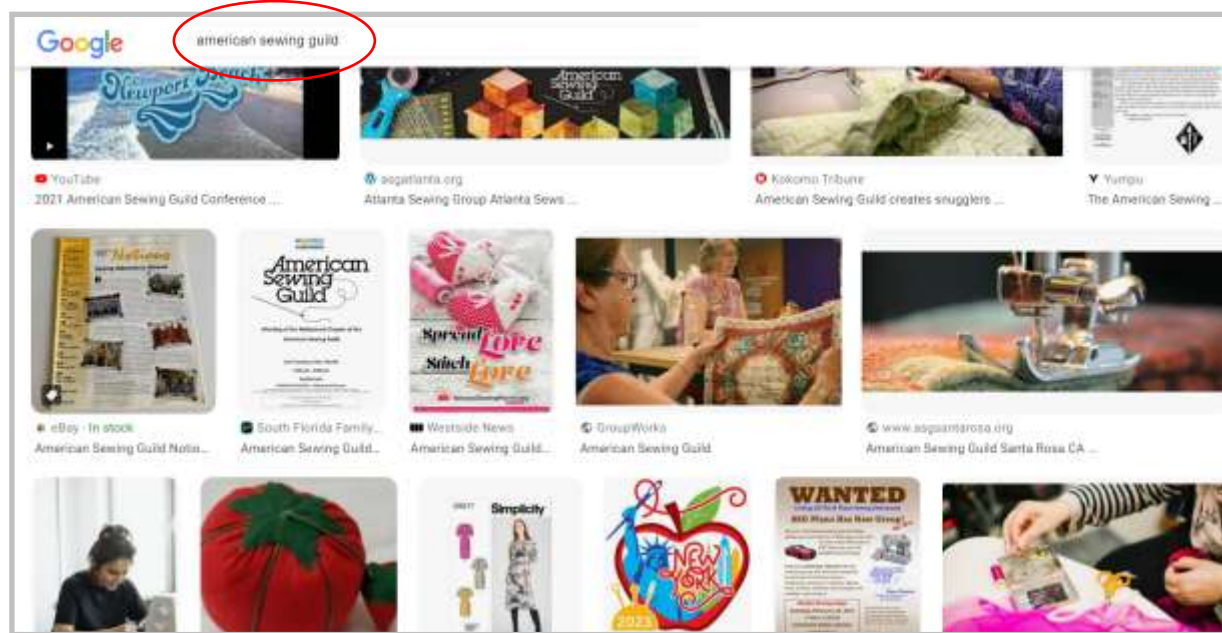

ASG Chapters publish a newsletter 4-6 times a year that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

### Notions

Members receive regular ASG Notions emails with news, articles and more. In addition, most ASG Chapters publish a regular newsletter that communicates local Chapter events, neighborhood group locations and activities, lists of discounts with retailers and features special interest articles.

## Membership Information

Currently, we have 82 members in our chapter. That number changes as memberships are renewed on an annual basis throughout the calendar year. We love visitors to check out our meetings, however, we must limit the number of times a visitor can attend before they join. The first meeting is free to attend, but after the 2nd, we ask that you join our chapter. Dues are \$60.00 for the first year, and \$55 for renewals. Your dues can be quickly recouped if you take advantage of all the savings and discounts posted on the national ASG website, as well as the 10% off many retailers.
